club DVD 8.9

We're not the kind of magazine that makes New Years resolutions. No, we resolve every issue to bring you the finest girls, pictures, videos, on set exclusives, interviews, reviews, features and other bits on the top shelf, and every issue we nail it. We kick off 2014 with a mixture of Brits and Euro babes, plus we've been to America to cast our eye over the latest porn films in production. Our conclusion? Girls are getting hotter and nastier with every passing year..,

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

BUMS IN BRAZIL!

Brazilian football stadia may be falling down around their ears, but there's still something the swaggering, samba-obsessed, soccer-mad South Americans can construct more solidly and opulently than any other country on the planet – arses. Which is why corruption-weary Brazilians are mortified that their annual Miss BumBum beauty contest has been tainted by accusations of illegal implants and match-fixing. Dimple-derriered contestants have accused two of the finalists of bribing judges and plunged the competition into chaos. "'It's no longer a secret to anyone that Miss Bumbum has been bought and already has a winner, Mari Sousa," tweeted whistle blower contestant Poliana Lopes. "I'm very sad because the result isn't deserved, and her bottom isn't the most beautiful, which in a serious contest would be more right. I hope filling her pockets with money makes her happy." Brazilian law enforcement agencies are attempting to get to the bottom of the affair.

BUM SHORTS
BE THE LIFE OF THE PARTY!

POLE TO POLE!

Polish sausage is cheap and plentiful, but not plentiful enough for randy record-breaker wannabe Ania Liseweska, a porn star from Warsaw who wants to sleep with 100,000 men worldwide, putting her country's thrusting work ethic to effect in the bedroom. And the bathroom, and the lounge, and the local Cost Cutter, if she wants to hit that target. "I will start off in Poland, visiting every town, but I want men from Europe and all round the globe," she gurgled. There are easier ways for a Pole to get in the Guinness Book of Records, Ania. Most Cussedly Long Period Not Learning English While Working in England, perhaps. Or Worst Haircut Sported While Plumbing My Toilet. She estimates 20 minutes per person – er, if she's looking to get her speed up, she should come to the *Club DVD* office; she could work through the whole lot of us, including the cleaners, in that time. Even so, 33,000 hours works out at over three-and-a-half years of non-stop shagging – we advise buying shares in Polish lube.

KOREA'S ADVICE!

North Koreans are subjected to round the clock propaganda portraying its neighbour to the south as a corrupt, decadent hive of capitalist iniquity. Which is why we love it – and its kinky theme park, Loveland on Jeju Island, a collection of oversized statues in explicit poses that positively encourages audience participation. Popular with honeymooners and tourists who just like laughing at kinky kitsch, sculptures include oral sex acrobatics, gigantic stone labia and men making peace signs to their dogs while both males penetrate their partners. Korean honeymooners are encouraged to stay the night at hotels on the island where erotic "ice breakers" get newlyweds in the mood with lap dances and sex shows. Sounds more sensible than the traditional kilo of sausage rolls and vat of cheap shampoo us British use as an aphrodisiac.

GEEKS CORNER! WITH JOEL

As year's end fast approaches Geeks Corner digs through its reviews sac to kick out the jams for the festive season – first in the vinyl stack is the debut from doom supergroup Lumbar, *The First and Last Days of Unwelcome*. With a lineup featuring YOB's Mike Scheidt, Himsa's Aaron Edge and Tad's Tad Doyle, we'd expect nothing less then this intense and oppressive opus, but since Edge's sudden diagnosis with multiple sclerosis what may well be his swansong is an even more punishing album then expected, with cone shredding guitars and drums like lone gunman scatter shots, this trio produce both a constantly evolving and intense take on doom. Next up is an awesome split from California's Noothgrush and Japan's Coffins who attempt to out do each other in search of the sludgiest riff imaginable. Where Noothgrush's side is a dense apocalyptic trawl through dark wastelands, Coffins on the flip step up the tempo but add vocal's from something that can only have been summoned from the deepest pits of Hell! Lastly but by no means least comes our fave release this month, Wolves In The Throne Room's BBC Session *2011 Anno Domini* – two tracks of majestic black metal smeared over twenty minutes of vinyl, densely layered melodies unwind like slow ear worms infinitely spiralling into majestic Mandelbrots of darkness, immensely bleak yet utterly uplifting – essential!

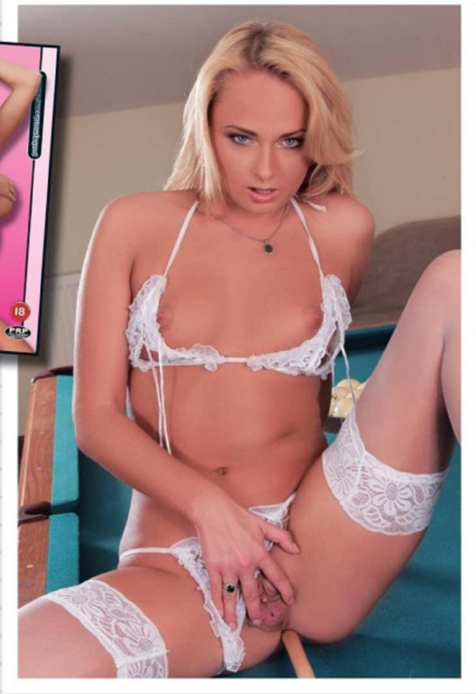
LONDON club DVD MAIL BAG

Dear Club DVD,
I couldn't help but notice how much Brigitta [*Club DVD 8.8* – The Ed] looks like a brunette Colleen Rooney. Do you think she's actually her dirtier, secret little sister? Bet Wayne looks forward to family functions with totty like that around, eh?
Smudge, Norwich

Sorry, Smudge, but we just can't see the similarities, ourselves, so, no, we'd put money on Brigitta not being related, in any way, to the Rooneys… Next!

To Team Club DVD,
In the review for the DVD *Lick My Slit*, Dirty Dan talks about shutting himself indoors for a marathon wank, but he let me down when he mentioned getting his bog roll from Ocado! I mean, what's wrong with Asda, Aldi or Morrisons? Is he some sort of drippy, posh wanker, 'cause that's what I picture when I think about him now. I always imagined him to be a bit of a ducker n' diver, somehow.
Disappointed, Dunstable

Thanks for taking the time to write in, however, there are a few things we take issue with; firstly, we're not sure you have to be a 'posh, drippy wanker' to shop at Ocado, nor do only 'duckers 'n' divers' buy their groceries at Asda/Morrisons! What is this, Thatcher's class-ist 80s? Secondly, we're interested to know how long you have been imagining things about our Dan? We expect our readers to lust after the girls featured in the mag, but our staff? That's a new one on us! Especially the debauched filthmonger that is Dirty Dan! Bleurgh!



Dear Club DVD,
I was impressed that your model Ingrid has a pool table in her house, until I read how shit she was at the game. However, any bird that spends that much money just to have a shag on a bit of green felt must be alright! Any chance of her number? Cheers!
Kenny, Okehampton

Err, how does no sound? Sorry, Kenny, but we're not in the habit of handing out model's phone numbers just like that. Besides, if we had managed to actually get Ingrid's then we certainly wouldn't be passing it on to anyone else!

Dear Club DVD,
Congratulations, boys, I think you've only gone and done it! Having read most British wank mags for years, I think I've finally found one that has a perfect balance of photoshoots, porn articles and fluff. The girls you use are nearly always of the highest standard, and it's good to see a combination of new models and the more established stars, as well as models from all over the globe, not just Blighty. I enjoy The Tossary – it makes a nice change from *The Guardian* crossword, that's for sure – and find Karina Currie's column well-written, intelligent and informative, some things I doubted I would ever say about an adult performer's musings! All in all, I thoroughly look forward to the next issue coming out. Keep up the good work, men (and ladies)!
Donald, SE1

Well, shucks, Don! You've made us blush, collectively! Really glad you enjoy the magazine; you'd be amazed at just how many cups of tea go into making it!

Hi Club DVD,
I'm sure you're sick of getting emails wanting more info about the babes in your magazine, but I thought, fuck it, I'm going to do it anyway! I fell in love with Kitty Jane as soon as I saw her pictures in the last issue, and you were spot on with your description of her – long legs, long torso, long hair! Damn, she's fine! Anyway, I can't find much out about her – so, over to you, gents! Mucho gracias!
Pete, via email

Hey, not at all – that's what we're here for, Pete! Kitty's really something, ain't she? AKA Jana, she's a statuesque 6' tall and was born in October 1990, making everyone in the office feel extremely old! Beginning her porn career in 2010, she's already made over 30 flicks, including the brilliant *Woodman Casting X 75*, which sees the filthy minx not only taking a huge schlong up the wrong 'un, but also her first DP – and if you liked seeing Kitty on the page, then you'll love hearing her purr on the screen!

WIN A LOAD OF PORN*

TOSSARY

Altocalciphilia – It may sound like an exotic disease, but altocalciphilia is more common – and much less painful – than you'd think. Although all altocalciphiliacs have a high heel fetish, the spectrum of meaning is wide and varied – from being attracted to the women wearing the heels, to getting your kicks from wearing the shoes, to simply becoming aroused by the aesthetics of the stilettos themselves. We do like to see a nice heel on a lady, but we have a sneaking suspicion that most women are born with an altocalciphilia gene…

Milk Bubble – When you've had a good ass-fucking session with your bit of stuff and you feel your nuts about to explode, hold yourself back as you could have some extra fun. Shoot your load right up her jacksie, and only remove your man when you've dribbled your last drop. As you pull out it should create the same effect as a queef, so sit back, relax and watch your girl blow milk bubbles out of her ass. See? Free entertainment!

Taphephilia – Taphephilia is the medical term for having fantasies about, and getting turned on by, being buried alive. It makes us shudder with dread at the mere thought of it, but apparently taphephilia makes others shudder in more of a sexy way…

Tragic Chub – A tragic chub is something most of us have suffered from, surely? Applying to both men and women, it means to get an erection (or a wide-on, in a bird's case) when you absolutely cannot do anything about it. Whether the bumpy train ride is making your missus wet or that hot chick that serves your coffee gives you a boner-inducing smile, if you're horny at a really inopportune moment, you will now be able to put a name to it!

Trolleymog – One of our favourite new terms, it describes a particularly promiscuous lady (or in layman's terms, a slag, trollup, whorebag, slut, bike, etc). Trolleymog – our fave new insult…

Formicophilia – What are your feelings about creepy crawlies? Not bothered? Scared witless? We figure both are pretty much 'the norm'. Formicophilia is the proper term for getting turned on by ants, of all things! Yep, it would seem that the sensation of those little blighters crawling over the body, genitals and even into certain orifices unbelievably do it for some people! As if that's not enough, some formicophiliacs say that it's actually the ant bites that turn them on. Man, we really have heard it all now!

Walnut Milking – We have a very reliable source who tells us this is mind-blowing. We're not sure whether we believe him enough to have a go ourselves, but you may be less cynical! When your bird's giving you a nosh, she sucks her finger (for lube), sticks it up your ring-piece and proceeds to massage your prostate with it – which is supposed to feel heavenly, by all accounts. As we always say, different strokes for different folks an' all, but there's always a personal limit. We think we may have just found ours.

Equaliser – We've all heard of that porno classic 'two in the pink one in the stink' (and for those of you are sexually unedumacated, it refers to finger-fucking – using two digits in a girl's pussy and one in her arsehole), well, this term takes that idea one step further. As the name suggests, it's all about equalising the balance and instead of taking one away it always makes sense to add one; presenting the equaliser – two in the pink and two in the stink.

Woodpecker – You've got lucky and managed to pull, then you get even luckier when she goes down on you. If you're really fortunate, she might even turn her attention to your balls, giving you the perfect opportunity to try out the woodpecker. While she's got your gonads in her mouth, tap your prick against her forehead like the aforementioned bird – and give yourself extra points if you get away with it long enough to tap out a tune.

Oculolinctus – We've already established there's a market that caters for every taste, but getting off on licking an eyeball?

Sabre-Tooth Tiger – If you've ever been fortunate enough to double-dick a girl, you may be familiar with this sight already. Get her to suck you both off at once, stuffing both your cocks in her mouth, giving the appearance of her having two enormous teeth, like the big cat. You can take it a bit further, too. By popping your load at exactly the right moment, your jizz will cover your pricks making them a perfectly shiny white colour. Ta-da!

*We had to give you a reason to spend time doing our very educational wordsearch, and here it is! **Find the term listed that is not included in the grid, and you could win some porno prizes!** Send your answer to *Club DVD* Wordsearch, PRP, 23 Lyon Road, Hersham, KT12 3PU. Competition ends on 6th March 2014, and the first name to be pulled out of the hat wins a goodie bag!

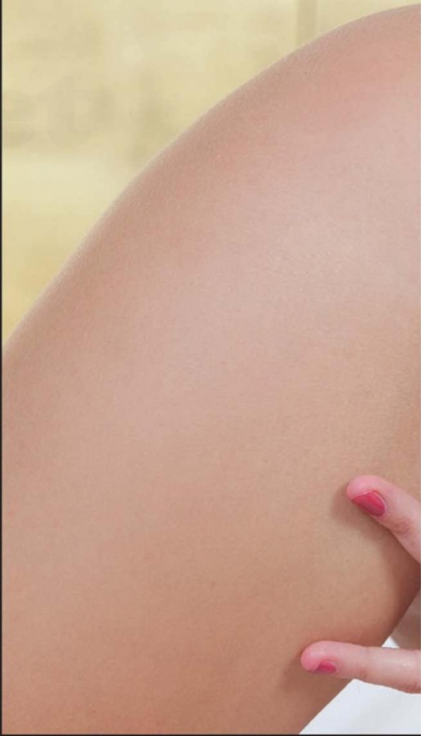
ADRIENNE



ADRIENNE

Adrienne is making her *Club DVD* debut, and in fact her debut in any king of magazine or DVD. You wouldn't know it, would you? We certainly didn't think she was a first timer when she idly slipped a finger inside herself while the cameraman checked his lighting, and then brought herself off after he'd nipped out for a fag. To the manor porn...

Skin Tight

Immediately ensconced in a sea of bending and twisting bodies, I arrive on the set of *Skin Tight* with perfect timing to find the sexy starlets playfully stretching out their flawless physics in the dressing room. With colourful G-string leotards, sweaty bodies, and perfectly round asses spread out before me in suggestive positions like downward facing dog, I know I'm in for one hell of a day. Actually, this sentiment is ensured the moment Christy Mack and Dani Daniels, two of porn's most celebrated cock stars, lock hands and begin thrusting their shiny pussies in my direction.

"Come join us," Dani teasingly suggests, while biting the tip of her pinky finger. Without hesitation, I dart in to take my spot amongst the air-humping honeys. Later, I learn that the movie is all about salacious sluts in skin tight clothing getting their bodies worked over from the inside out by a band of capable studs. In a nutshell, this flick's chalked full of slutty spandex, horny pussies and plenty of butt bouncing action that will undoubtedly cause you to spring a leak. So, sit back and enjoy your sudden rise in temperature. The music is thumping and these babes are about to go buck wild!

The movie begins with Dani Daniels sending her on-screen amore, James Deen, a homemade video of her hot new outfit. Unable to control himself, James salivates over Dani's porn perfect body that is decked out in a white fishnet top, hot pink pants with strategically placed cutouts and a sexy black belt.

Bending and gyrating for the camera, Dani makes the most of her impressive, homegrown curves by spreading her legs and bouncing her mango-shaped titties in her palms. Flying through the door in a frantic attempt to pillage and plunder Dani's decadent display, James wastes no time at all. Crashing into her arms, James slams his mouth against her glossy pout, causing an airtight seal that fuses both sets of lips together. Now, with wild tongues roving around, it becomes quite clear that these two are genuinely aroused by one another. "What took you so long," she purrs, thrusting her head back so that her long mane of silky brown hair cascades down the small of her back.

Tearing her top open, James gorges on her pink nipples and rests her against a tan ottoman that is placed in the middle of the living room. After wrapping her legs around his back, Dani is pleasantly surprised when James literally rips his way to her wetlands. Now, with her spandex pants in shreds,

FIT BIRDS!

There's some spicy spandex action going on as we join Wicked Pictures and a cast of up-and-cummers who love to get physical on set. Emma Edwards lycras what she sees...

Dani rests her bare feet on his shoulders and allows him full oral access to her immaculate looking pussy. Chowing down on her hot holes, like a fat kid in a pie-eating contest, James gorges on her gape and gash until his eyes begin rolling to the back of his head.

While sprawled out in a key position, it doesn't take long before James switches out his tongue for his cock. Barreling into her at full force, James makes cobbler out of Dani's juicy peach. Extending his arms out, James locks his hands around the back of Dani's neck to ensure a deep-rooted connection with her eyes and her body. In a matter of moments, Dani's cheeks turn rosy red and her pussy lips plump, signaling the onslaught of her first orgasmic release.

> **"HE TEARS OUT THE CROTCH OF HER FISHNET PANTS AND BEGINS BANGING HER BEAVER LIKE A DRUM"**

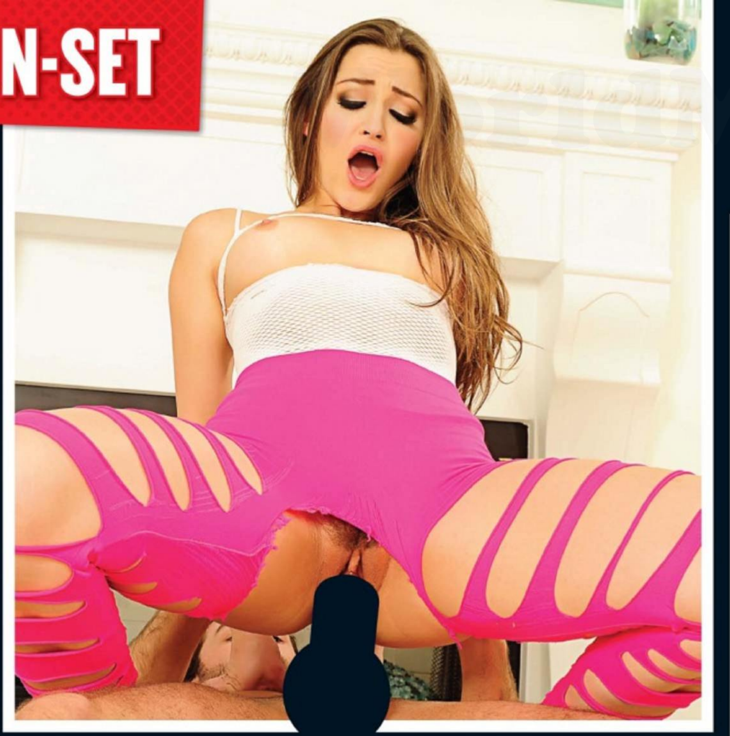
Clearly, this is the exact way to begin a porno!

Afterwards, we find Mischa Brooks, a hot starlet with thick legs, a pair of baby blue eyes and an elastic asshole, strolling in from a day of shopping. Upon entering her home, she finds a special present from Karlo Karrera sitting on the table with a sexy, handwritten note that reads, "Put this on."

After holding our breath in anticipation for her sexy surprise, Mischa reemerges in an unbelievably slutty pair of hot pink pants and a matching top. Strolling into her bedroom to greet her man, Mischa immediately turns herself to the on position by bending over the armrest of the sofa, stretching out her legs to show off her soggy pussy. After frolicking around the expansive bedroom, she opens up another present and is shocked to discover a glass dildo in the shape of a unicorn's horn.

Once she moistens the tip with trickles of her warm saliva, she shoves the toy down her throat and stretches out the contours of compact cunt. Unable to contain his manly urges any longer, Karlo takes matters into his own hands by mounting Mischa in missionary position. Using both hands, he tears out the crotch of her fishnet pants and begins banging her beaver like a bongo drum.

As Mischa begins squealing like a prized piglet, Karlo grabs the glass toy and shoves it into her mouth. "Pipe down," he teases, while continuing to



"WE'RE SURPRISED TO DISCOVER THAT HIS COCK IS WEDGED EIGHT INCHES UP HER ANUS"

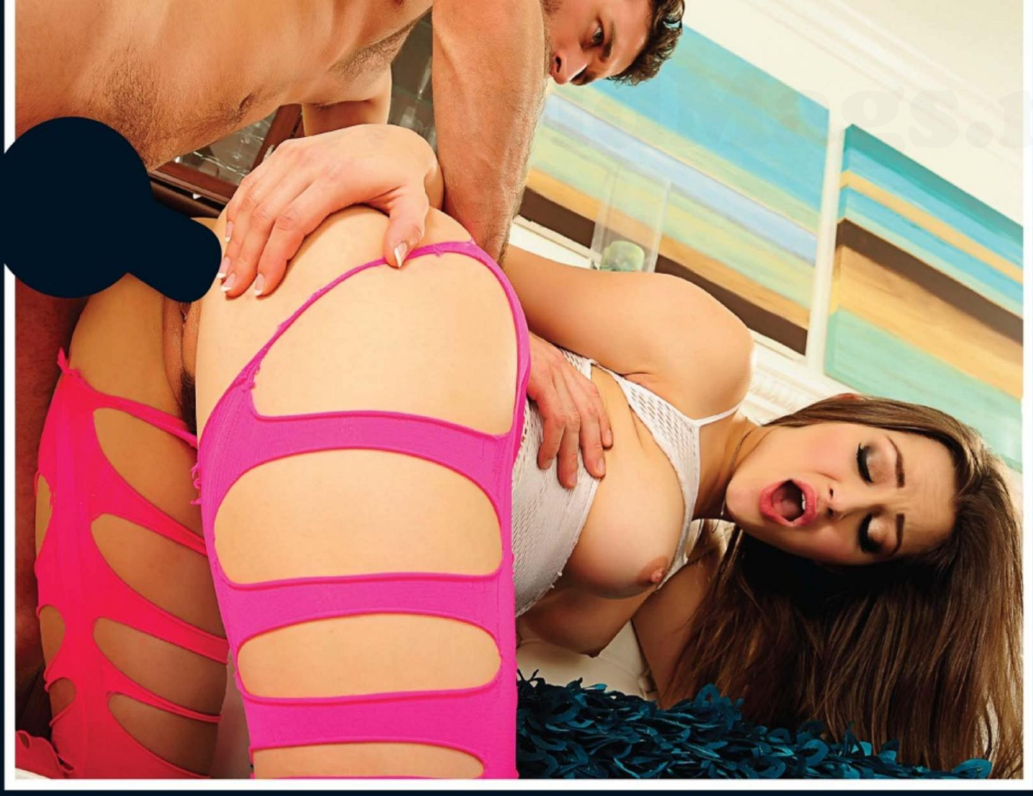
pound her pussy to a pulp.

"I love my gifts," Mischa moans, climbing atop her handsome stud in reverse cowgirl position. Once in place, Mischa bounces up and down his cock like a super ball, thrusting her hips until their connected crotches glisten with splashes of her girlish goo. As she leans toward him, resting her back against his chest, we are surprised to discover that his cock is wedged eight-inches up her anus!

Now, with clammy consommé and buttery butt broth streaming from her holes, Mischa spins around and continues her stride in cowgirl. After several more minutes of intense fucking and alternate positions, Karlo eventually bursts out and slathers her face with so much cum that she looks like someone has smashed a banana cream pie against her face. Trust me, it's hot!

Meanwhile, James Deen is in his home gym, waiting for his new instructor to arrive. Soon, the door opens and Christy Mack, one of the most visually stunning porn stars to come along in a long while, emerges, wearing a blue leotard, neon green pants and hot pink legwarmers. As we all do our best to roll our tongues back into our mouths, James takes one look at her and notices that his cock is beginning to grow.

After bending and stretching for her new client, Christy does the unthinkable by busting out her terrific pair of DD's and drenching them with a bottle of ice water. Now chomping at the bit to chow down on her rock hard nipples and gooey center, James wrestles the wet wanton into place, positioning her on top of his body in the sixty-nine position. With



"LIFTING HER LEG UP TO GAIN BETTER ACCESS, JAMES JABS HIS STRAW INTO HER JUICE BOX"

both participants happily slurping away, Morgan spins his camera toward her gorgeous face, capturing the expert way she spits and slobbers over James' award-winning cock and balls. "I love it," she mumbles, going in for another overflowing mouthful of meat that leaves his cock decorated with hot pink lipstick rings.

"Don't you know you're not supposed to talk with your mouth full," James jokes, slathering her slit with long swipes of his tongue. While keeping her securely in place on her hands and knees, James finagles his way from underneath her body and takes a more dominant, mounting position behind her. After lifting her leg up to gain better access to her pussy, James jabs his straw into her juice box, working out her impeccable body from the inside out. Purring like a kitten throughout, we can tell this kinky cat is receiving the workout of her life!

Moving forward, we find Ramon Nomar searching for Samantha Saint on the internet. This soon leads to a direct connection that has Samantha performing in a sexy live show for her latest online fan. Looking like a walking felony in a pair of hot pink pants, a black lace top and come-fuck-me boots, I've never seen Samantha look hotter. Beckoning Ramon in with her fingers, we can tell that Samantha is ready to reach out and touch someone.

Easy on the eyes and heavy with her seduction, Samantha works around the blinding white room, showcasing her killer curves and sought-after slit. Strolling into the scene, Ramon doesn't fuck around. Instantly buckling the blonde beauty in two, Ramon slashes open her pants with his paws and begins devouring her asshole. Cooing like a pigeon, it becomes obvious that Samantha enjoys the feel of a stiff tongue up her ass. Bucking her hips up and down, Samantha literally manages to fuck her butthole with his tongue. "I like it," she repeatedly chants, seemingly getting off by the naughtiness of it all.

After delivering a top-notch blowjob to her #1 fan, Samantha spreads her legs for him, holding herself open by the ankles of her boots. Ravaging her senses with an onslaught of seductive Spanish phrases and his fat cock, Ramon envelops her with his Latin mojo. Soon, her legs are drenched with pussy milk and her clit swells as her first orgasmic release works its way out of her body like a blistering fever. The Latin lover responds in kind by dousing his darling's face with plenty of his frothy flan. Wow, what a scene!

As that erotic encounter concludes, we're excited to report that Erik Everhard takes a stab at Jennifer White in an additional scene that is not to be missed. Ending here on a high note, *Skin Tight* delivers a powerhouse of passionate possibilities and plenty of stretched out pussies. Delicious from end to end, this production delivers everything you need to stay in tip-top shape!

LAYLA

Some things take enormous will power. Not drinking in January, say. Not drinking on January 1st, to be honest. And having a girl in the magazine called Layla and resisting the temptation to make jokes about cream. You know, Eric Clapton's old band? We're only not making that joke here because we made it on set to Layla herself, who didn't get it. But then she's only 22 and very sexy, so she doesn't need to...

TESS

TESS

If we were your inferior kind of adult magazine, we'd take one look at Tess stood next to a car here, and then think of a headline along the lines of 'Tess Drive'. But we're not that kind of magazine. No, we're the kind of magazine that is far too busy looking at Tess' perfect body, alluring, sexy eyes and shaven snizz to give one toss about a boring motor. What are we, Auto Trader Magazine?

To those who don’t know of Mia Lelani, could you please describe your porn ‘brand’?
’m a busty, exotic beauty, who loves sex.

What is your heritage, please?
I’m Filipino, Irish, and Lebanese.

What were you like growing up?
I was a hardcore tomboy that played soccer, street hockey, street football and softball.

What were you doing immediately before and what made you decide to embark on a career in porn?
Before porn I was working as a bakery girl at a grocery street. I was 22 years old and living my life to fullest when I decided to start this adventure.

Do you enjoy your job?
I love my job! There’s no way I could have lasted this long, if I didn’t enjoy what I do.

What has been your worst non-adult job?
I’ve never really had a horrible job. All my non-adult jobs have been fun and been a great way to meet longtime friends.

Were you nervous your first time in front of the camera?
I wasn’t nervous when I did my first scene. I’ve always felt comfortable in my skin and my first scene wasn’t a far stretch for me.

Have you done any interesting shoots lately?
Lately, I’ve been working on shooting scenes for my website, *mialelani.com*.

What have you learned about sex – and yourself – from your adult career so far?
It’s more experience that I’ve gained than stuff I’ve learned about sex. There were so many things I wanted to do and most of them have been captured on film.

What type of scenes do you enjoy the most?
I love doing raw, dirty scenes the most.

And least?
My least favourite scenes are ones when my partner doesn’t want to be there. I want someone who wants to be there.

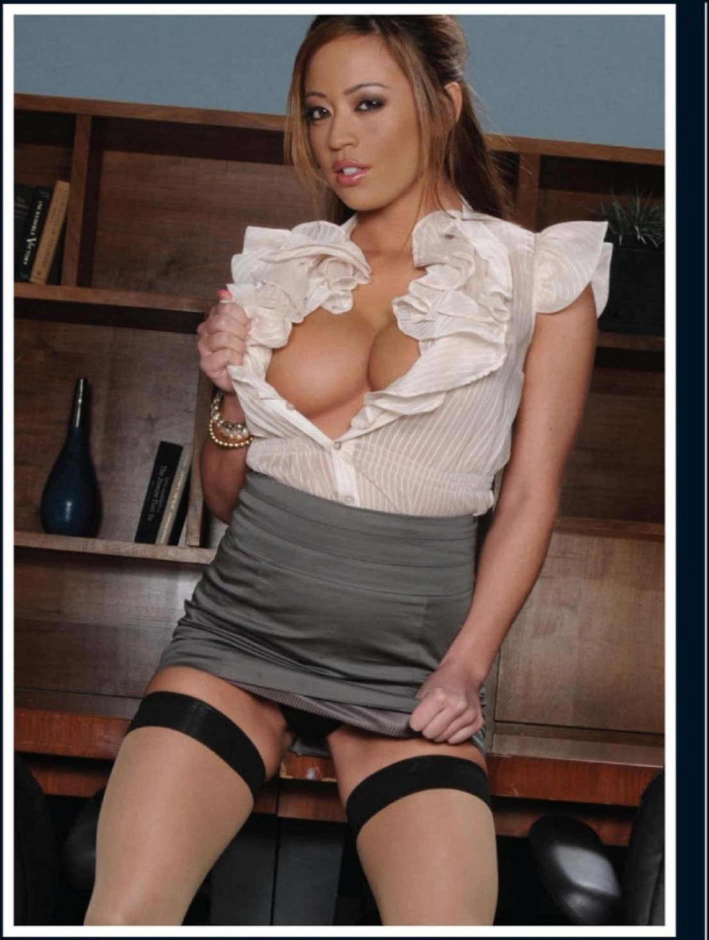
What’s your favourite sexual act?
My favourite sex act is face-fucking. Nothing turns me on faster than a man shoving his throbbing cock down my throat and making me gag on it.

Is there anything that you’ve yet to try, sexually (personally or professionally)?
I haven’t shot a gang bang yet, so I’m looking forward to my first.

Is there anything you wouldn’t do on film?

MIA SO HORNY!

With 8 years in the jizz biz and over 150 movies under her belt, Mia Lelani knows what she's good at – gagging on dick – and what she still wants to do. Tamara Noon gets up close and personal with the sizzling sex star...



"I LOVED DOING MY FIRST DP. IT WAS SO MUCH FUN TO FULFILL ONE OF MY FANTASIES"

I probably wouldn't do a double vag, or double anal.

In the last few months you've not only done your first BBG, but also your first DP! How were they for you?
I completely loved doing my first DP! It was so much fun to be able to fulfill one of my biggest fantasies.

Have you ever worked in the UK?
No, I haven't had the opportunity to work in the UK... yet.

Have you worked with any British porn stars?
I have worked with Clark Kent, Danny D, Danny Mountain, Kenny Styles, and Keiran Lee.

Have you always been comfortable with your body?
I have always been comfortable in my own skin and I'm very grateful for that.

What is good sex?
Great sex is when my partner and I are on the same sexual wavelength that frees us from any restraints.

What do you think you're best at sexually?
I give the best blowjobs.

Do you enjoy masturbating?
I enjoy masturbating, and it's even better when I can do it in front of my lover.

Favourite sex toy?
My favourite toy is my Hitachi.

Do you cum easily?
Yes, I can cum a few different ways.

Honestly now, does size matter to you?
No, I can always find a place for any hard cock.

Do you have a particularly sensitive body part?
My neck is my most sensitive body part. Goosebumps run up my neck anytime someone kisses me there.

What gets you hot 'n' bothered?
I love a man with swag. Swag is being confident without having to tell people.

And what turns you off?
Being an arrogant, closed-minded person is the fastest way to turn me off.

Are you bisexual?
I love girls who love sex, but I'd always prefer to mix

"NOTHING TURNS ME ON FASTER THAN A MAN SHOVING HIS THROBBING COCK DOWN MY THROAT"

a cock in my sexcapades!

What do you go for in a guy, or a girl? Are looks important?
I definitely go for a hot body, confidence and the sex skills to back it up.

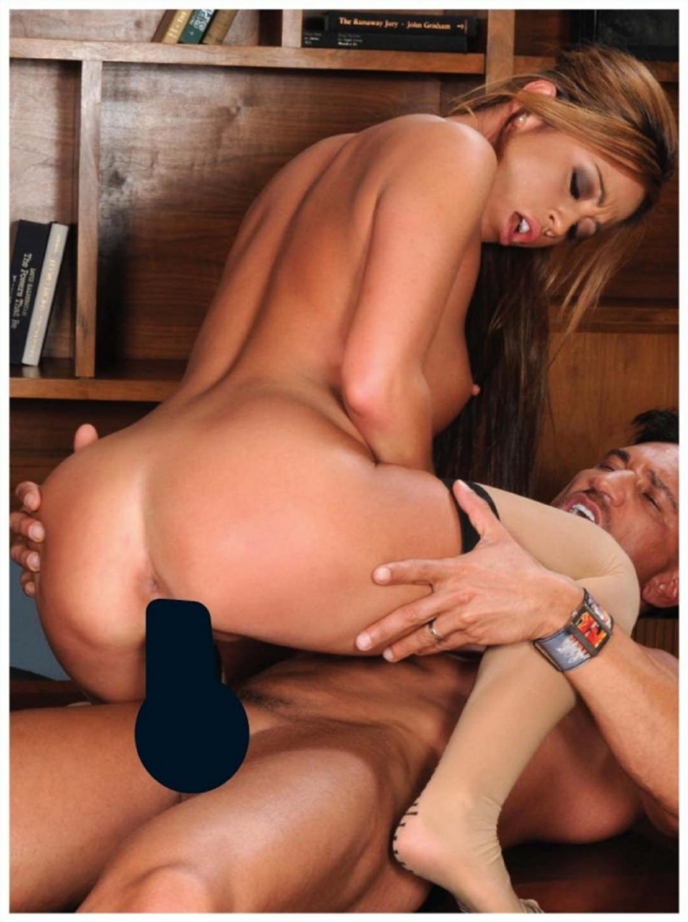
Are you dominant or submissive?
I'm a dominant person in the outside world and submissive minx in the bedroom.

Do you like your sex romantic or rough?
I like rough sex mixed with intimate moments of closeness.

Realistic gonzo or slick and glossy feature?
I love my pretty girls to be high gloss and my scenes to be gonzo.

Do you watch porn at home, and do you have a fave flick?
I don't have a favourite, but my boyfriend loves to watch my porn.

How old were you when you saw your first adult movie?
I was between 10-12 years old when I saw my first xxx movie.



Is there anyone you'd like to work with, that you haven't yet?
Jules Jordan and Manuel Ferrera

Do you have a favourite porn girl/guy to work with?
I love working with Johnny Castle.

Are you friends with any of the girls outside of work?
I'm friends with Kimber James, Brynn Tyler, and Kagney Lynn Karter.

Which studio would you say is your favourite to work for and why?
I love to shoot for Jonni Darrko. He makes the best movies and it's always so much fun.

What has been the most enjoyable job you've had so far in your adult career?
Working with Jonni Darrko — I love doing the *Asian Fuck Faces* series.

Do you have any plans to do any mainstream work?
I just spent 10 days filming for a mainstream movie. I can't talk about it just quite yet, but you guys are going to love it!

Would you ever date a fan?
I'd consider dating a fan if he could sweep me off my feet.

What is the weirdest, funniest or craziest thing a fan has done for or to you?
I have the best fans who have showered me with love and thoughtful gifts. Thank you!

Do you have any funny on-set stories you can share with our readers?
There's too many to list. And some would really embarrass other people…

Who is your dream fuck?
I'd love to fuck Mark Wahlberg, Matt Kemp, Miles Austin, 50 Cent and 2Pac.

What do you do with yourself, when you're not at work?
In my free time I hang out with my puppy, cook, eat candy, play Mario Brothers, and catch up on my TV shows.

We hear you're a bit of a whiz in the kitchen…?
started cooking four years ago when I started dating an old boyfriend.

You have the world's second cutest puppy dog – after mine, of course! – please tell us about her (or him)?
Thank you. My puppy is a 17-month-old female Renterrier, which is basically a mini Pitbull. She's a handful, and makes me think twice about having kids.

You seem to work out a lot – are you quite

> **“I’M A DOMINANT PERSON IN THE OUTSIDE WORLD AND SUBMISSIVE MINX IN THE BEDROOM!”**

an active, sporty person, or is it a chore?
I like being outside doing outdoor activities, but most of the time I end up inside the gym and that is more of a chore than sports.

What do you consider your proudest moment?
Being nominated for AVN and XBIZ Awards.

What inspires you?
Music videos, believe it or not, inspire me because they allow artists to connect with their fans in a creative and fun way.

Where is your favourite place on earth?
My favourite place on earth is the beach or under the sea scuba diving.

Do you have any guilty pleasures?
My guilty pleasure is overindulging in food, candy, fun, liquor, etc. I think it’s because I’m the Year of the Boar in the Chinese calendar.

Is it true you’ve gone back to school?
Yes, I’m attending community college to get my Associates in Sciences, so then I can transfer to a four-year university [course].

What do you see on the horizon for Mia Lelani?
I see a lot more orgasms and butt sex on my horizon.

Can you tell us something about yourself that not even your hardcore fans would know, please?
My fans might not know that I’m a home-body.

As a professional on the subject, do you have any sex tips for our readers?
Communication is the key to good sex. Do whatever you can do to be more comfortable with yourself.

Do you have a twitter or Facebook account so your fans can get in touch, please?
My Twitter is @mialelanixxx and I will have a Facebook fan page in the very near future.

And finally, do you have anything you’d like to promote
Stay tuned for my website in 2014. It’s *mialelani.com* and you guys are going to love it!

BRIDES SPRAYED!

There's so much eye candy on the set of Digital Playground's latest that we need fillings in our cornea. We witness *Bridesmaids* in the making, and try to catch the bouquet...

Bridesmaids

Alyssa Branch is on top of the world, as her beloved boyfriend, Giovanni Francesco, has just asked her to be his bride. Although this should be one of the most joyous events of her life, Alyssa's matrimonial merriment is riddled by a comedy of errors and pre-wedding shenanigans as her eccentric bridesmaids, Jesse Jane and Kayden Kross, vie for the title of maid of honour. Will Alyssa make it down the aisle and live happily ever after, with all of her bridesmaids in toe? Or will Alyssa's day of wedded bliss go down in a ball of blue satin flames?

This is the comical conundrum aptly laid before us by famed director Robby D, in his bridal event for Digital Playground called *Bridesmaids*. With a celebrated cast of the industry's brightest performers and celebrated starlets, a hysterical script that is full of laugh out loud hilarity, and seven smoldering sex scenes, this walk down the aisle proves that all is fair in love and weddings. So, with that said, are you ready to talk a walk down the aisle, porno style?

Starring: Jesse Jane, Kayden Kross, Stoya, Brooklyn Lee, Alyssa Branch, Vicki Chase, Johnny Sins, Erik Everhard, James Deen, Derrick Pierce, Bill Bailey, Danny Mountain, Giovanni Francesco.

Directed By: Robby D.

Available From: Digital Playground.

The misadventure begins in a roadhouse diner when Kayden Kross announces to the girls that Alyssa is finally engaged. As the girls erupt into joyful merriment for their friend, Jesse Jane puts forth a fake laugh and can't help but wonder why Alyssa would share the news with Kayden first. After all, she thought her and Alyssa were BFFs. Knowing that this situation is getting a rise out of Jesse, Kayden callously adds salt to her wounds by sneering, "I wonder who Alyssa will choose to be her maid of honour, probably me since she called me first." With those few spoken words, the floodgates have officially been flung open, and the claws are out!

From this point forward, everything between Kayden and Jesse becomes a dog-eat-dog competition. While at the gym getting their bodies in tip-top shape for the wedding, Jesse takes centre stage in a boxing ring with Erik Everhard, as Kayden hits the mats for some Jiu-Jitsu training from Derrick Pierce. Once Kayden notices that Jesse's boxing skills potentially may be stronger than her own, Kayden steps up her game. In one fell swoop, she pins Derrick onto the ground, arranging him into a triangle pose that nearly puts him to sleep. Scoffing at her bosom buddy, Jesse rears back her fist and sucker punches Erik's jaw, leaving him knocked out cold and seeing stars.

Now, as both bitches become really pissed off, Kayden rips off her sports bra and pushes her perfect tits into Derrick's mouth. Unsure about how to respond, he flips her over onto her back, peels her yoga pants down her legs and begins devouring every morsel of her salty clam. "Oh, your tongue feels so fucking great," she smirks, glancing over at Jesse who is left with her jaw hung wide open.

Never one to be outdone, Jesse falls to her knees and yanks out Erik's anchor from his gym shorts. As his meat stick smacks her across the forehead, Jesse wrangles his wild beast with her small fists and lodges his length to the back of her throat. Now, with loads of saliva pooling from her mouth, collecting on the mat below, Jesse continues her reign on top by cradling his nuts with her tongue like two lovers nestled together in a hammock. "Wow, you think that I am the best cocksucker?" she loudly smirks, sinking his hard cock between her two Double-D chest pillows for some good ol' fashioned titty fucking.

Pumping her fists in anger, Kayden arranges herself on her hands and knees and a deep arch sets in her lower back. Holding onto her curvy hips with his paws, Derrick takes his position behind the blonde beauty and slams his cock in. Wincing with both pleasure and pain, Kayden enjoys his aggressive approach, and encourages him to playfully smack the curve of her ass as his hips continue bucking and fucking like a bronco bull.

"Fuck that!" Jesse snarls, interlacing her long legs in the ropes as Erik positively pummels her pussy in missionary. As both pussies froth and pop, their opposition for one another reaches a boiling point. In an effort to extinguish their unfathomable flames of envy, the men pull out and spray down the dueling divas with healthy blasts from their respective skin hoses. It's hot!

"JESSE WRANGLES HIS WILD BEAST AND LODGES HIS LENGTH TO THE BACK OF HER THROAT"

Now at the formal fitting for bridal attire, Stoya takes Kayden to the side and asks, "So, how far are you two going to take this?" With a guilt-ridden look in her eyes, Kayden turns her cheek to her friend, folds her arms like a spoiled brat and pouts, "I don't know what you are talking about." As Stoya leaves her there to stew in her self-created desolation for a few moments, she eyes the bridal shop owner, James Deen, and motions him to join her in the back office. Hot on her heels, his belt is unbuckled and his zipper unhinged long before his hand reaches for the door.

Once inside, James doesn't feel the need to waste any more time. Before a word is spoken, he has her left foot planted on his desk and is barreling into her hairy beaver in standing doggie. As her porcelain skin reddens and her voice squeaks and squeals, Stoya thrusts her body back, creating a clatter as their crotches collide. "Fuck yeah, baby," she continues, watching him hammer his nail into her hole.

Now, in reckless disregard for damaging or staining Alyssa's beautiful wedding gown, Stoya keeps the lace garment affixed to her naturally slender frame as James spins her around into missionary position. With her long limbs wrapped around his waist, Stoya swivels and swirls her hips into his groin, stirring up a creamy batch of beaver butter as she gets her fill.

Intently pumping her hole with pole, James continues ravaging his eccentric plaything at a record pace. After Stoya succumbs to more vaginal and anal pounding, her creamy white chest turns beet red and her long toes curl up into perfect ballerina points, as she churns out an orgasmic blast that makes our hair stand on end! Later still, after a terrible catfight ensues, leaving Kayden and Jesse's bridesmaids gowns in shreds and shambles, they decide to try to come together in harmony as the wild bachelorette party is about to commence.

As the music pumps and the cocktails go down nice and smooth, the door busts open and Johnny Sins, a hot male stripper, starts bumping and grinding on top of the over-heated honeys. "Show us what you're made of," Brooklyn Lee shouts, while pinching his arse and flashing her fleshy tits.

Offering them a little more bang for their buck, literally, Johnny aptly strips out of his cop uniform, allowing his fat cock to dangle in front of the beautiful bunnies like a carrot stick. Crawling over the top of the couch, Stoya and Brooklyn go straight for his bat, as Kayden and Jesse fight for his balls. Securing his double danglers into her mouth, Jesse happily steeps his reddened set, while Stoya sucks the head and Kayden long licks the length of his shaft. To ensure the ultimate pleasure, Brooklyn takes it upon herself to pinch his nipples and slather his inner thigh with juicy kisses. “I’m in heaven,” he boasts, watching four of the most gorgeous women imaginable servicing his manhood from root to tip!

As the orgy pushes forward, Kayden and Brooklyn take turns jockeying his cock in reverse cowgirl position, while Jesse and Stoya take refuge between each other’s dripping wet wontons. “You’re so fucking sticky wet,” Jesse purrs, coating her puffy lips with scads of Stoya’s silky syrup. When it’s time to switch things up, Johnny grabs Stoya by the waist and bends her over the armrest of the sofa. Once securely in place, he makes mincemeat of Stoya’s buttery muffin in a standing doggie arrangement. Quick to lick up the drip, Brooklyn positions herself underneath their penetrative action, licking up their tangy sex sauce as it comes sliding down Stoya’s statuesque legs.

Knowing that her pussy is about to be pummeled next, Kayden bangs on her hole in the same instant that she’s sliding her tongue in and out of Jesse’s soggy snapper. “I can’t fucking wait for that cock,” she snarls, eventually unlatching her lips from Jesse’s overflowing juice box in an effort to crotch-connect with Johnny.

Happy for the opportunity to try out the look and feel of a fresh new pussy, Johnny slips his cock into Kayden’s coochie in missionary position. Gingerly taking a seat on top of Kayden’s face while Johnny continues splitting her at the seam, Brooklyn ensures her clam is thoroughly shucked by Kayden’s skillful tongue. After each girl gets an adequate amount of gavel in her gash, Johnny pulls out of Jesse’s juicy hole and sprinkles the girls with showers of cum.

With more sexual shenanigans and childish pranks left to unfold, we’re pleased to announce that there are still many more twists and turns left in this wedding day fiasco, including three additional sex scenes starring Vicki Chase, Brooklyn Lee and Alyssa Branch. When all is said and done, you’re going to be pleasantly surprised to see how these naughty nuptials unfold and the matrimonial bliss that is sure to follow. With action this funny and bridesmaids this hot, this is one wedding you’ll definitely want to attend!

“BROOKLYN ENSURES THAT HER CLAM IS THOROUGHLY SHUCKED BY KAYDEN’S SKILLFUL TONGUE”

MALORY

World

Most of the girls featured in your ever lovin' *Club DVD* are down to earth sorts who you imagine sharing a pint with over a game of dominoes. If that's your thing. Not Malory, however. She's a lot posher than that and only drinks Champagne and expensive cocktails while frequenting high-end sex parties like those from that crap Kubrick film. But it doesn't matter how posh she is, she still likes to get naked and take it up the wrong 'un. Bottoms up...

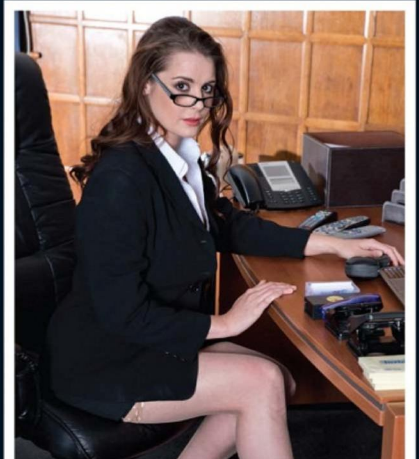
CURRIE ON...

THE WEBCAM WORLD!

Babeshows and webcams are quietly revolutionizing how models make money. Our resident sexpert Karina Currie charts their rise...

For some, nothing beats the feel of glossy magazine paper between thumb and forefinger whilst stroking the sausage. Perusing the pages of hot babes with beautiful bodies and faces to match and the added bonus of those beauties keeping quiet! For others, though, the ability to switch on their TV and see lithe young female bodies gyrating on the screen whilst shaking a phone with vigour, or a quick flick onto the Internet to see the huge variety of known and unknown models on the many adult webcam providing sites is much more entertaining and productive, if you know what I mean!

The video and magazine market will always be a part of the porn experience, but nowadays a much more interactive way to play is available for those who wish to indulge, and having performed on pretty much every platform of adult entertainment, I thought this might be a good time to share my experiences and views on the masturbation machine that is interactive intimacy.



Let's start with the second generation of the phone sex service that is, 'The Babeshows'. Initially aired on the SKY TV platform, Babestation was the first. Launched approximately 11 years ago, this topless only babeshow was the first of its kind on television, where all you needed was a subscription to the SKY TV service and bam, no encryption, no extra charges and free to see breasts and bottoms on your television set. If you wanted to call in then that was up to you, but you could just sit back and watch pretty girls having a laugh and doing cheeky tasks, asked for by viewers participating via text message.

Viewers were then given the opportunity to call their favourite glamour models or pornstars like myself, and get a more personal experience albeit over the phone. A lick of a nipple, or a spank on the bottom, full of sexual innuendo and very tongue in cheek, this format proved so successful that soon enough other companies followed suit and fired up their own babeshow products. All of a sudden the desire to become a babeshow babe, meant girls who would never have entertained the idea of parading their bodies in public were queuing up to be on TV.

Competing for viewers became brutal for the companies themselves, but the viewers had a great time and some see the first few years of these new babe channels as the golden years. Girl-on-girl

"NOWADAYS A MUCH MORE INTERACTIVE WAY TO PLAY IS AVAILABLE FOR THOSE WHO WISH TO INDULGE"

sexual simulation, pussy flashes, full-on nudity and similar acts of sexual imagery were the order of the day until OFCOM brought in tighter regulations reducing what was pretty much soft core porn down to not much more then topless telly shopping. Due to the saturation of the market, and the shows changing beyond recognition from the cheeky, fun and entertaining format they started out as, the demise of some of these channels was a given.

So what becomes of a babeshow babe once she's no longer got a channel to bounce around on? For those who previously already had modelling careers, the boost in their popularity achieved from regular appearances on the babeshows, and the return in availability for taking bookings meant a regenerated interest and models did pretty well from this. The girls who have only ever worked on babeshows would either disappear or they graduate onto what I call 'proper modelling'. Booking photo shoots for mags such as this one, shooting porn and performing on web based shows such as *Sexstationtv.com* or *shebang.tv* and venturing into the world of webcam.

Webcam services have been around for a while and most users will know that they can find pretty much anything and everything catered for by a willing performer. Models choose their own rates per minute for varying levels of adult chat and most provide picture galleries and films. The well known models obviously charge higher rates then the amateur girls who are just supplementing their general income or paying their way through university.

Generally, most current adult models will already be using adult webcam providers such as *adultwork.com* or *myfreecams.com* but now we see so many more of the babeshow girls joining up to keep in touch with their followers and also make the sort of money they were used to making on the TV.

This current trend is not only the domain of ex-babe channel girls though, and as a performer on *Adultwork.com* myself, I see more and more girls, both former and current babeshow performers, joining up to reap the rewards of self management and potentially higher incomes. The luxury of being able to work your own hours, not just nights, and the freedom to perform at the levels you feel comfortable with are extremely enticing to most.

"I SEE MORE GIRLS JOINING UP TO REAP THE REWARDS OF SELF MANAGEMENT"

Highly efficient in self promotion, management and content production, models are no longer being 'exploited' or 'reduced' to nothing more than objects for the sexual gratification for men by men, but freely choosing to make a living from sexual expression, and if anything they are the ones exploiting natural human desires and the need for sexual stimulation.

Feminists and anti-porn protesters can no longer apply the usual stereotype of exploited and stupid women selling their bodies cheaply because it's not exactly cheap to have a ten minute private session on a webcam with girls like me. But it's worth every penny, of course! OFCOM has been on the war path for quite some time now to shut the babeshows down for good, so web-based babe interaction is for me the future and as much as I loved working on the shows in their golden years they just aren't the same, entertaining saucy shows they used to be. So now if you really want a good giggle as well as a good wank, click online and join the webcam revolution.

SANDRA

SANDRA

Sandra Shine is the first to admit she's not a natural blonde. No, she'll happily confess to dying her bonce every once in a while when she feels the need for a change. There are some other benefits too.

"All that 'gentlemen prefer blondes' stuff, well, it's true. As a brunette I used to think it was guff, but whenever I go blonde, I get more wolf whistles, get chatted up more and end up having more sex."

So why not stay blonde all the time?

"Because I've got a couple of fuckbuddies who go for the brunette thing, and I can't say goodbye to them. Plus, I can keep having the best of both worlds!"

NINA

Brit babe Nina is our idea of the perfect English rose: She's beautiful, well-spoken, unpretentious, and she'll let you finger her on a first date. Not that we found out first 'hand'.

"So who told you that?" Nina protests. "I'm harder work than that. If you want the good stuff, you've got to work hard and put the hours in, and treat me like a lady."

How does a pint of best and a packet of pork scratching sounds?

"Ah, that's my Achilles heel! Beer and salty snacks! Fine, you win..."

Okay, Nina. One finger or two?

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

I've loved ice-skating since I was a kid and have kept it up for fitness – I'm 22 now and guys will often say how firm and toned my arse and legs are. Recently I went to my local rink and they asked would I be up for taking part in a photo and video shoot to promote the place. I wouldn't get paid but I'd get a free pass, so I said yes.

One of my reasons for doing it was Nathan, the guy taking the photos. He was good-looking with a really fit body. I spotted him staring at me a few times and he asked me would I mind hanging around at the end. He also asked Tara, a girl who skated at competition level and used the rink for training.

She had her eye on him too so I thought I might as well give up, but as he arranged me in poses for the stills he got a bit handsy and kept brushing up against me. He kept saying he wanted me to be "sexy" – we were shooting pictures and clips to advertise late sessions and "ice disco" nights – and he asked Tara over to demonstrate what he meant.

She looked so fucking smug and superior but I shouldn't have risen to the bait especially as I'd already wondered if Nathan was playing us off against each other to get the best out of us. She did some moves and a couple of spins to show off, and as her skirt rode up I was sure she wasn't wearing any knickers. She glided up to Nathan at the side of the rink and hung on to him like she'd fall on her arse if she didn't. If she was trying to make me jealous, it was working.

I was ready to walk, but I'm not shy so I said I'd show him sexy, took off my top and sports bra and did a circuit of the rink. When I got back to them – my nipples full-beam erect by now – they were kissing, and it looked like Nathan had a couple of fingers up Tara's cunt, going by the way she was shaking.

I thought I'd better get lost and leave them to it, but Tara shot out an arm and grabbed my wrist, breaking the kiss to tell me to stay. I did, seeing Nathan's tongue slide back into her mouth, hearing her moan and feeling her body twitch as his fingers pumped in and out.

He kept rubbing her but pulled his mouth away to snog me, which immediately got my juices flowing. I could feel a pair of hands on my tits and realised they must be Tara's, and when Nathan stopped kissing me, she took over, using her tongue in a fucking motion.

I heard a little moan and realised Nathan had pulled his hand clear – even before he raised it up for me to smell her juices. "Have a lick," he said, and I sucked them clean, though I left one for her to taste how hot and wet she was.

"Want more?" he asked, and I knew he meant right from the source. That's how, two minutes later, it ended up with Tara sitting on one of the rink-side seats, skates still on and legs splayed wide, while I knelt between them.

She wasn't knickerless, just wearing a flesh-coloured thong, but it wasn't hiding much. She was all excited and puffed up so her labia were escaping out the sides, and the crotch of it – soaking wet with her juices – was pulled so tight against her slit I could see the little bump of her swollen clit.

I licked her along it, following its lines, getting it even wetter with my spit. Nathan was giving her tits some attention but then – sneaky bastard – he suddenly put a hand down and pulled the thong to one side, so suddenly I was licking her cunt. Her juices tasted even better like this and whether I had a natural talent or she was just easily pleased I'm not sure, but she was moaning and grinding against my face.

Now Nathan knelt down by me and started rubbing my back, his hand creeping down lower with every sweep. I didn't object when he ran it over my arse cheeks – I moaned into Tara's pussy and moved against his hand, to encourage him to work it over my crack and slit.

"THE CROTCH OF HER THONG WAS SOAKING WET WITH HER JUICES AND PULLED SO TIGHT I COULD SEE THE LITTLE BUMP OF HER SWOLLEN CLIT"

I was wearing proper skating knickers under my skirt, so he had to slip it inside them, but they held his hand against my crease, and when he curled his fingers into my pussy-hole, I almost came on the spot.

I didn't just want him bringing me off like this, though – I needed something bigger inside me. Unfortunately, there wasn't the space between the seat and the rink barrier for him to get in behind me, so we swapped positions. Nathan dropped his trousers and took a seat – cheesy as it sounds I felt my eyes widen and my mouth start to water as I got my

of
S OF AN ICE MAIDEN

first glimpse of his prick. Then I sat my now-naked arse down on his lap while Tara perched up against the barrier, with her pussy angled into my face.

I just wriggled on his lap for a bit, while I got back into licking her, then I raised my arse and let him guide his prick inside me. I was soaking wet and it sank right in – I could feel his hairy balls against my labia – and I let him set the pace. As he thrust and ground inside me, I let the movement work my mouth against Tara's clit. Then as he started fucking in harder and faster, I just jammed my tongue up her pussy and used my fingers on her nub.

She was whimpering so loud it sounded like she was on the verge of tears but when I backed off a bit she told me to do it harder. Meanwhile Nathan was close to cumming and started banging up into me. Soon I didn't have any choice – I had to stop what I was doing to her. I leant back against him as he grabbed my tits and squeezed them so hard I squealed out loud, and then I felt a hot burst deep inside me as he lost his load.

I'd intended to go back to eating Tara right away but, pissed off at being neglected, she'd started wanking to finish herself off and wouldn't let me near her. But it was so horny to come down while watching her buck and twitch, her pussy winking in little spasms as she brought herself off.

She'd barely got her breath back before she told me to follow her up to the little café area next to the rink. There was a bench there, just plain varnished wood, and she told me to lie down on it. I shivered as my back touched the cold surface, but she knelt between my spread thighs, licked the spunky juices off the insides of them, then sucked more out of my pussy. She said – more for Nathan's benefit than mine – that if I'd got to fuck him, at least she'd get to taste his jizz.

She was a bit rough with me, sucking my clit hard and ramming her fingers in and out of me – but I was wet enough to take anything. The next thing I knew Nathan's cock was over my face, already hard again – and I leaned back to give it a sucking.

Now Tara was really pissed off, wanting her turn, but Nathan told her to chill out, she'd get plenty of it when he got her home. I got the feeling I wasn't invited – not if she had any say in the matter anyway – so I decided I'd make the most of things for now. I licked around his crown then sucked it into my mouth, tonguing it as my hand wanked up and down his shaft. Whatever Tara was doing to me was working too – a hot glow was spreading through me from my pussy, while little tingles made me twitch, and that just meant even more pleasure for Nathan's cock. For a while, I sucked him as deep in as I could manage – down to an inch from the root – then I let him fuck my mouth however he wanted.

"I LICKED AROUND HIS CROWN THEN SUCKED IT INTO MY MOUTH, TONGUING IT AS MY HAND WANKED UP AND DOWN HIS HARD SHAFT"

I came a couple of times before I felt his body go rigid – but Tara heard him groan and reached forward, grabbing his prick and pulling it free of my mouth just before he started cumming. As it spurted, she aimed it at my face and tits before letting me suck the last few drops out of him.

"Don't swallow," she said and I didn't dare, holding the spunk inside my mouth as I waited for her to lap the creamy mess off my boobs before kissing me.

For now, I can only think it was a one-off. But now it's the new year and I have a free pass in my purse, I'm resolving to visit the rink more often to stay in shape. I'm sure I'll see Tara there and possibly the two of them, and who knows where it could lead?

APPLE MACBOOK PRO RETINA 13IN

£1,499

What's to say about that square child at school who's reliable and behaves itself every day when it comes to report time? Well, with the new improvements we can just roll out the plaudits once more as Apple make adjustments to this latest model that you didn't realise were essential until they were actually shown to you. As well as including the wireless networking capabilities of the MacBook Air, the hard drives have been upgraded to PCIe, meaning file transfers are even slicker. Perhaps the most 'exciting' thing for all of you Apple disciples out there, though, is the simple fact that this offers almost double the battery life of previous models, which means all East London 'creatives' can spend a full 'working' day in their organic local café without any fear of having to leave and do something useful with their life.

Pros: Retina screen is the best around. Battery life.
Cons: May need an image overhaul soon.

CANON LEGRIA MINI

Never can we accuse Canon of not moving with the times again, as they have released a fairly innovative camcorder that is basically built for the narcissistic, selfie driven world we are now wallowing in! With its 170-degree wide-angle lens and 180-degree flexible display, this is basically a new kind of flip-cam that can accommodate even the 'weightier' of women's attempts at being the Rochdale equivalent of Kim Kardashian. They've even made the controls super straightforward as ultimately this is a point-and-shoot operation at work and the on-board wi-fi is essential in order to receive instant gratification for your work through the amazing power of 'likes'. This aside, the Legria Mini also has a great fully operative touchscreen and is nothing short of an imaging powerhouse. However, with most phones not far off in terms of capability this may be one for the bedroom exhibitionist alone.

Pros: Flexibility of the build. Wi-Fi.
Cons: No mic port or headphone jack. Lack of zoom.

NIKON 1 AW1

We may have finally found the camera that suits your every need. By this we mean one you can use whilst drunk, also when you're drunk on holiday (and there's a swimming pool dangerously close), and also when you're drunk and you and your girlfriend decide to take some private shots… basically a camera that can withstand any unintended, but inevitable, damage that generally happens when you're drunk! As well as all its shockproof, dustproof, freezeproof, waterproof qualities however, it's also a fantastic camera and even offers interchangeable lenses whilst sacrificing none of its ruggedness. The major snag however, is the controls that are all a little too close for some of our clumsy fingers, but thankfully Nokia have thought of us and has offered a virtual shooting mode on screen, meaning that if you have close to a grand to spend on a camera then there's really no excuse!

Pros: Rugged feel. Sharp imaging.
Cons: No viewfinder. Expensive. **www.nikonusa.com**

NOKIA LUMIA 2520

Like your granny finally buying a DVD player just so she can watch the official Diamond Jubilee video you bought her last year, Nokia have decided it's not too late to enter the tablet market… and they've entered it with, well, kind of a bang? Not only is this a quite unwieldy polycarbonate slab, albeit a fairly nice looking one, but it is the first Nokia to run Windows 8. Unfortunately, this is also where some of the instant frustrations come in as set-up and configuration are painfully slow (well, in this modern world of tablets we mean) and being limited to pre-installed programmes will infuriate those looking to run full programs and PC games. On the plus side, however, it does have an incredible looking screen, and Zeiss optics in the camera, so if you've worked out long enough you may be able to hold it up high enough for a few nice snaps!

Pros: Great screen. Good quality Nokia apps. 4G.
Cons: Heavy. Expensive. Windows RT.

VERTU CONSTELLATION

Okay, so we all have that one friend who spent his teenage years banging on about his Dad's Koi Carp and how he was gonna have a Rolex Oyster by the time he was 16, you know, the kind that kept their VHS videos in cases that looked like 'books'. Well, in this modern world, nothing serves this person better than the Vertu Constellation which is basically a smartphone that clocks in at over four grand! What do you get for such a price tag, you say? Well, for starters the screen is covered in a sheet of pure sapphire crystal, and the back of the phone is covered in hand-stitched calf-leather imported from the Alps! You want more? Well, the Grade 5-Titanium chassis would be the final icing on the cake for the person buying this in order to bore everyone with the details every time it's taken out in the pub.

Pros: Scratchproof sapphire display. Exclusive services.
Cons: No 4G. Lack of SD card expansion. **www.vertu.com**

MY SISTER'S HUSBAND

(Digital Playground)

Many Digital Playground releases, with their constant themes of infidelity and easily resolved sexual issues, blur into each other. What makes this one stand out – somewhat – is that you not only get the cream of their contract girls, Bibi Jones, Jesse Jane, Selena Rose, you also get Karlie Montana sharing a highly photogenic lesbian scene with Kayden Kross and, to top it all off, Brett Rossi (who often graces our sister magazine *Club International*) in her first ever boy/girl scene. Fair play to her, she delivers the best scene, tackling Erik Everhard's bangstick like a veteran.

THE CANDY STRIPER
SAMANTHA SAINT
Wicked

8/10

We've been bored with Wicked's recent output, but they've got the formula spot on again for this Samantha Saint-starring grumble film. Saint is the archetypal blonde, big-titted porn babe, but knows how to smoulder and shag at the same time. It doesn't hurt that her co-stars are top notch performers as well. Bonnie Rotten is Marmite looks-wise, but continues to look like the best shag on earth, while Brooklyn Chase was born to make balls empty and cocks throb. The hospital setting is unrealistic and unhygienic, but we can't wait to be patients there…

Private have been releasing casting compilations since we were in short trousers, but their new generation are a vast improvement on the old ones. Most 'castings' are just early scenes with shabby make-up, crap lighting and limited camera angles. These are much more professional, and the female cast look ready made for sexual stardom. Alessia, Galina, Nikky, Svetlana and Alice might not be familiar names yet, but they sure know their way around a penis and deliver a film that's a step above the usual auditions.

(Harmony)

HARMONY
The Shadow of a MILF
KENDO
HD
R18

This is a real change of pace for Harmony, with director Kendo at the helm and a much more couples-friendly approach to the action. The lighting is softer, the lingerie more classic and the sex a touch gentler. It's erotic rather than the fetishistic, pounding stuff we often get (and love). Not that it's still not fine, with Holly Kiss, Cathy Heaven, Valerie Fox, Eva May and Jasmine Jae all delivering plenty of fuck fodder for your eyes and dick. MILF might be pushing it for some of them, but we're not going to quibble with this refreshing ream-fest.

WWW.MILFTUGS.COM

Spend enough time hunting the internet for porn – and I spend way more than enough time doing that – and you begin to realise just how much material is re-used and re-circulated. Which is why we try to celebrate originality on this page, even if it's sometimes a bit lo-fi. MILF tugs has just reached one year of age, and while it's from the Score stable, it feels endearingly amateur. It's basically a whole bunch of MILFs – proper ones, with a few GILFs for good measure – wanking, sucking and tit-fucking cocks to creamy completion. It's HD, it's easy to navigate and it's update regularly. I apologise if your mum is on here wanking someone off, though…

WWW.LEGSJAPAN.COM

We don't really associate the Japanese with long legs. Perhaps it's a stereotype, but we tend to think of them as more diminutive than Westerners. Legs Japan just goes to show what we've been missing. The home of pixellated porn, feeling up on trains and bukkake knows how to deliver fetish, and this foot and leg material is lovingly filmed.

The focus is on garters, hose, stockings and high heels, but also takes in sex, footjobs, cumshots and trampling. The HD video and ample videos are welcome, but we're a bit peeved about the membership fee. Nearly $40 a month? For that, we'd want these legs wrapped around our neck.

WWW.JIMSLIP.COM

It's been quite a while since we looked in on Jim Slip and, blimey, he's still going strong. He was making extremely British porn, informed by an *On The Buses* sense of humour back when we were still at school. And there's no sign of letting up either, with weekly updates showcasing solo girls scenes and stacks of boy/girl action.

He's worked his way through most of the British babes who take dick, and a fair few Europeans and Yanks too. Assisted by his missus, Lara Latex, who quite often gets in on the filthy action this is a UK porn institution and one that deserves your support/semen!

Becca's boyfriend had been in a coma for six months, when he began to come out of it. One morning, he motioned for her to come closer, so he could talk to her. She sat on his bed, and noticing the tears welling up in her eyes she held his hand, as he began, "Oh, Becca, the nurses told me how you haven't left me the whole time I've been here – in fact, you've always been by my side, haven't you? You supported me when I lost my job and stayed with me through all the bad times that followed. You were with me when my house caught fire and I lost everything. And when I was in the skydiving accident, you were right here by my side. You know what, Becca?" Leaning even closer, she whispered, "What, my love?" He replied, "I'm beginning to think you're really bad luck."

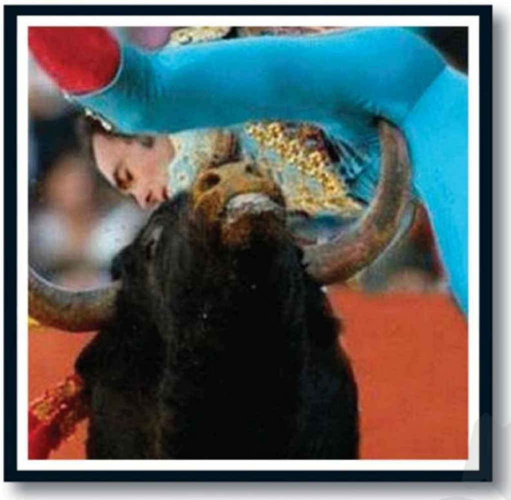
An Essex girl walks into a lift and notices a particularly sexy guy already stood inside. She smiles at him and remarks, "T.G.I.F!" The guy frowns and says, "S.H.I.T." Confused and figuring that he didn't understand, she explains, "T.G.I.F – it stands for 'thank god it's Friday!" The man nods, grinning, and says, "Yeah, I know. S.H.I.T – it stands for 'sorry honey, it's Thursday!"

A housewife goes to see her doctor. Running through a list of questions, he asks, "And are you sexually active?" The woman shrugs, "Nope, I just lie there."

A girl arrives home from school with a report card, which she hands to her father. He beams with pride when he sees that her marks are all As and Bs, but notices that the teacher had written a note across the bottom of the page: 'Katherine is a very bright girl, with a hard-working attitude. However, she does have a tendency to talk incessantly during lessons. I have an idea of how to break her of the habit which I shall try.' Signing the report card, Katherine's father wrote a note next to it: 'Thank you for telling me. Please let me know if your idea does work on Kath as I'd like to try it on her mother, too.'



Because they were so skint, a young couple decided to spend their wedding night at his parents' house. The morning after, his mother prepared a special wedding breakfast with fresh flowers, champagne and smoked salmon, then called up the stairs for everyone to come down. The couple didn't materialise and, after waiting for over an hour, the rest of the family scoffed the meal themselves. The mother, feeling a bit miffed, wondered, "How strange that they didn't come down for breakfast. I would've thought they'd be ravenous!" Her husband nodded and opened his mouth to speak when their youngest son piped up, "Well, I think…" He was promptly cut off by his dad, "John, we are talking! Don't interrupt!" Lunchtime arrived, and the mother made a lovely spread, but again there was no sign of the bride and groom. After waiting for ages, the family tucked in, and the mother again mentioned the couple's absence to her husband. John, while playing with his food, started, "I'm pretty sure that…" His mother interrupted sharply, "Will you stop playing with your food!" And with that, she continued her conversation. Dinnertime came and went, with still no appearance of the newlyweds. After the rest of the family had finished eating, John tugged on his mum's sleeve, "Mum?" Looking down, she asked, "Yes dear, what is it?" He continued, "Well, my brother came downstairs last night when I was getting a glass of water. He said he was getting some Vaseline, but I think he might have picked up the superglue for my model plane by mistake!"

6 Six Of The Breast

In 2003, Benny Benassi released his wank-worthy video for hit single *Satisfaction*, which featured page 3 beauties Jerri Byrne, Lena Frank and Natasha Mealey using vibrating power tools (a work of genius), but when did it become the norm to hire porn stars as video extras? Tamara Noon takes a look at just a few examples…

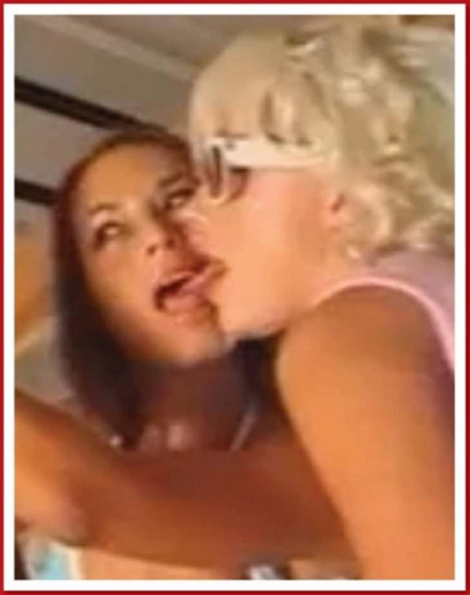
Who? Daisy Marie

Bio? With her Latin American beauty and perfectly formed 34D-24-32 curves, Daisy Marie is the stuff wet dreams are made of. Despite having made nearly 400 movies, and having been around for over 11 years, the sexy senorita shows no signs of slowing down.

Artist & Video? 50 Cent – *Disco Inferno* (2004)

Big Part? If you know to look out for her then you'll not miss her as she cavorts in a lift with two girls and some rapper-type, then later drapes herself across Fiddy's lap, topless, in order to tongue some other bird.

Worth A YouTube? Absolutely – it's a good tune, and you get to see Daisy Marie's nips!



Who? Nadia (AKA. Pixie/Andrea Spinks)

Bio? In the early 2000s, Nadia was the porn girl of the moment, and a Paul Raymond fave. Appearing in every mag from *Loaded* to *Hustler*, her boyish figure and cutesy looks always had her huge fanbase gagging for more. The pocket-sized pixie only made 30-odd pornos in her 7-year-long career, working for Viv Thomas and Platinum X among others, and was a regular presenter on Television X.

Artist & Video? Add N To X – *Plug Me In* (2000), Victoria Beckham – *Not Such An Innocent Girl* (2001), Rui Da Silva – *Touch Me* (2001)

Big Part? Having been branded a dead ringer for Posh Spice by *Club* early on, she coincidentally landed a small job as a dancer in Mrs Beckham's *Not Such An Innocent Girl* video, before shimmying away in Ibiza dance classic, *Touch Me*, by Rui Da Silva later the same year. Unfortunately, blink and you'll miss her in both. The controversial vid for Add N To X's *Plug Me In* featured her getting it on with fellow Brit, Layla Jade – with an array of dildos and some hot near-the-knuckle action, both babes seemed very happy about the, ahem, exposure.

Worth A YouTube? The first two aren't, but in Add N To X's X-rated film, you can see everything but her bearded clam. And if you're like us, you'll have a slight pang for wanks past.

Who? Gina Lynn

Bio? The leggy Latino was in the jizz biz for 13 years, made 180 blueys, and she was *Club US* magazine's contract girl for many years. Having worked for studios like Adam & Eve, Vivid and Private, the sultry stunner with the 34D bangers went on to become a regular extra on *The Sopranos* as a Bada Bing girl [See *Club DVD 8.6* – The Ed]. What a legend!

Artist & Video? Eminem – *Superman* (2003)

Big Part? What is it with Eminem and porn stars? Gina Lynn plays his love interest, and as there are only the two of them in the vid, it's a pretty big role! The pair spend most of the time cavorting, then end up stripping off and romping around. Well, you would, wouldn't you?

Worth A YouTube? You should, despite the 'hit' only making it to no.15 in the Billboard chart, 'cause Gina Lynn is frickin' scorching!

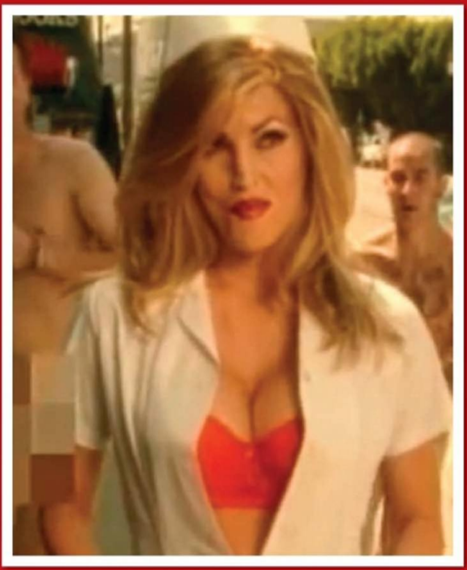
Who? Lisa Ann

Bio? The big-boobed MILF played the lead in Hustler's *Who's Nailin' Paylin?*, kick-starting her flagging career – she's been around since 1994 and has made around 350 pornos, earning herself 20-odd awards in the process. And she was the voice of 'Prostitute 2' in *Grand Theft Auto V*, in case you missed her!

Artist & Video? Eminem – *We Made You* (2009), Hollywood Undead – *Dead Bite* (2013).

Big Part? Reprising her role as Serra Paylin for Eminem's vid, Lisa Ann's fame was cemented as it caught the eye of the world's media. LA rappers Hollywood Undead, approached the mucky minx last year to appear in the vid for their song, *Dead Bite*, alongside RJ Mitte (*Breaking Bad*), Tera Patrick, Jayden Jaymes, Rikki Six and Jessa Rhodes!

Worth A YouTube? Both are worth a single watch for different reasons; Eminem for 'comedic' purposes; Hollywood Undead for lots of norks and RJ Mitte's expression upon encountering a bloke getting noshed off by two masked women! Ha!



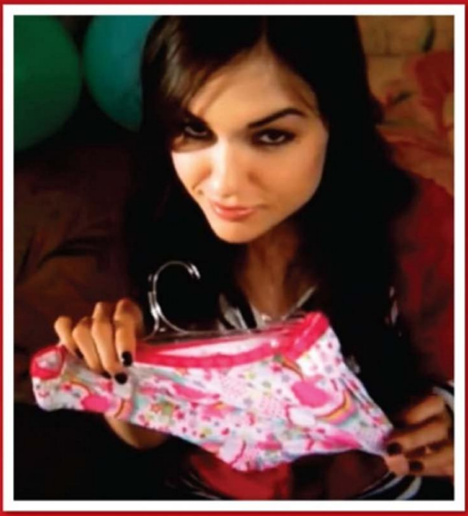
Who? Janine Lindemulder

Bio? With 129 XXX flicks shot in an 18-year career, the tattooed, bad girl of porn has faced three high profile court cases, with one resulting in her being sentenced to 6 months in prison for tax evasion, prompting her to set up the website, *FreeJanine.com*. Surprisingly, she only did lesbian porn until the last year of her career, but she made up for it with facials galore!

Artist & Video? Blink 182 - *What's My Age Again?* (1999)

Big Part? More of a memorable role – she also adorned Blink 182's album cover, *Enema Of The State* – wearing a tight, sexy nurse's uniform undone to the waist to reveal a red bra, to match her lipstick and stilettos, she looked sexy as fuck and we'd definitely give her one.

Worth A YouTube? The song may be a steaming pop-turd and the band a bunch of faux-punk twats (too harsh?), but there's something about this video that made us watch it again, so yeah, we guess so. Oh, the shame!



Who? Sasha Grey

Bio? Regular readers will be groaning, "not her again!" at the page, but she's porn's most prolific music video star (bar Ron Jeremy). As a porn star she made 276 films, but since quitting a few years ago, she's had a part in *Entourage*, the lead in Steven Soderbergh's *The Girlfriend Experience*, has modelled for American Apparel and is releasing an album with her band, aTelecine.

Artist & Video? Smashing Pumpkins – *Superchrist* (2008), The Roots – *Birthday Girl* (2008), Eminem – *Space Bound* (2011)

Big Part? She plays a vampy dancer in Superchrist, but it's nowt to shout about. However, playing Eminem's missus in the vid for his single, *Space Bound*, the spotlight is firmly on Ms. Grey, with her being in nearly every frame – as is the case with *Birthday Girl*. No boobs, though, is there?

Worth A YouTube? *Space Bound* is, if only for the cinematic video, which shows both Sasha and the rapper's acting talents off to the fullest, ending with him shooting himself in the head. Don't bother looking up Smashing Pumpkin's *Superchrist* unless you are a fan of theirs, and The Roots' *Birthday Girl* is obviously an awesome track, so well worth YouTubing – Sasha or no Sasha!
